

## RoHS Compliance

Dear Madam, Dear Sir,

Please be informed that we are continuously evaluating the components that are supplied to manufacture our products and to our knowledge as of today and since January 1<sup>st</sup> 2006, all products manufactured by Microprecision Electronics SA comply with the RoHS directives.

Microprecision Electronics SA is neither a producer of raw material nor a Chemical supplier.

Microprecision Electronics SA has put in place a procedure towards its suppliers that, by accepting our orders, they commit themselves to be continuously in compliance with the current RoHS directives.
